

A-Z: KEY CONCEPTS TO AMPLIFY PROPHETIC VOICE

STRONGER, HEALTHIER & HEARD

Authenticity

Hearing loss or not, your prophetic voice is unique.

God designed you with specific personality, quirks, location, message and audience in mind.

Holding on to your authenticity carries your prophetic voice to those who need to hear it!

A

B

Breakthrough

Developing your prophetic voice stronger, healthier and heard brings breakthrough to you, and people's real problems that you influence.

Community

Prophetic voices tend to feel lonely, and with hearing loss this can feel exaggerated. You are not created to live in isolation, but in communion with each other. You are important and so is your prophetic voice.

In community, you

- connect with other prophetic voices with hearing loss
- build your character,
- celebrate your unique prophetic voice
- gets empowered with your tribe.

C

D

Discernment

An important tool to evaluate from which source a prophecy is coming from.

It is sharpened by reading God's Word, using Spiritual gifts and Wisdom.
